* My medical licenses were suspended for five years, two years active and three years stayed, May 1, 2003 to May 1, 2008, as part of a settlement agreement with the New Jersey Board of Medical Examiners after a case that presented a number of difficult issues that required consideration of the proper role and limits of innovation and the weighing of the risks and benefits of a potentially beneficial procedure, rapid opiate detoxification (ROD). There were no findings of fact or conclusions of law.

AWARDS

Benjamin Franklin Emerging Business Award U.S. Detox Center, Merchantville, New Jersey Most Innovative Service, Philadelphia, Pennsylvania, November 1996

UNITED STATES PATENTS ISSUED

- 1) **Improvement to Rapid Opioid Detoxification**
Patent Number 5,789,411
Issued August 4, 1998
- 2) **Rapid Opiate Detoxification**
Patent Number 6,004,962
Issued December 21, 1999
- 3) **Pharmaceutical Delivery Device and Method of Preparation Thereof**
Patent Number 6,203,813
Issued March 20, 2001
- 4) **Pharmaceutical Delivery Systems for Treatment of Substance Abuse and Other Addictions**
Patent Number 8,791,093
Issued July 29, 2014

UNITED STATES PATENTS PENDING

- 1) **Degradable Networks for Sustained Release and Controlled Release Depot Drug Delivery Applications**
Polymer Coated Implants – Blocking Plus Aversive Agents
- 2) **Implants Containing Disulfiram and an Anti-Inflammatory Agent**
Disulfiram Pellets
- 3) **Medicated Spray for Treatment of Addiction and Impulse Control Disorders**
Naltrexone Spray
- 4) **Restrictive Cell Phone Use and Anti-Texting Apparatus and Methods**
Anti-Texting Ignition Interlock Device (ATIID)

Revised July 10, 2017
